Summer 20/20 Patch Program

Build skills, do good deeds and be rewarded for participating in this new patch program!

How to Participate

1. Come up with a name to use. This could be your camp name, or a nickname. Add four numbers to it. (Example: Bunny2398) Write this down somewhere so that you don’t forget it! You’ll use this name each week to fill out the survey and let us track your progress.

2. Register for the program in order to receive your weekly email. Registration ends Friday, July 31 at 11pm.

3. Starting July 6, you will receive an email each Monday. This email will include the week’s theme, suggested good deeds and ways to complete one badge requirement at each Girl Scout level. It will also include an online survey that will also be available online.

4. Complete one suggested good deed and one badge requirement that week from the list in the email (you must do one of each, and may not, for example, submit two good deeds).

5. By Saturday at 5pm, using your nickname, fill out the online survey included in the email with your:
   - One good deed
   - One badge requirement you completed
   - Thought for the week. This should be five words or less (Example: I love summer 2020!)

6. Wait for your new email the following Monday with a new theme, new good deed suggestions and new badge requirements!

7. Repeat these steps each week for 10 weeks through Saturday, September 12 at 5pm. At the end of the 10 weeks, you will have completed 10 good deeds + 10 badge requirements = “20” in Summer ‘20!

Miss a week? No problem! Girls only need to complete 15 of 20 good deeds and requirements to complete the program. Out of town or away from the computer for a week? You can do them another week! Use the survey to submit good deeds and requirements you completed from weeks prior. No problem.

At the end of the program, participants will receive their final email with a survey. This survey will require you to answer a few questions about the program and provide your contact information. This will allow us to send you’re your custom patch! You will also have the option to order a free badge of your choice, if you were able to complete one this summer (this is on your honor)!

**This survey must be completed by Friday, September 18 in order to receive the program patch and badge of choice.**

How to wear your patch

The patch should be placed on the back of the Girl Scout tunic. Adults may continue to use an assortment of garments and accessories for patch placement. The Summer 2020 Patch should be worn on the front.

Helpful resources

Another excellent resource for leaders of all age levels is Volunteer Essentials. After completing the suggested badge requirement for the week, you may want to continue with the progression to earn the full badge. The content for these badges is located on the Volunteer Toolkit (VTK) or available in the Girl Scout Shop. Online downloads are available as well.
